

# First Annual Calypso Carnivale Gala

January 16, 2009

The American Riviera's premier resort, a glamorous hideaway whose graceful sandstone archways and red tile rooftops overlook pristine, sundrenched sands and the deep blue Pacific, magically transformed into a Caribbean dream.

Chefs Conny Anderson, Martin Frost and Harold Welch will present for the benefit of the organization and for the pleasure of our guests, an elegant turn - a tin pan accompanied *symphony de isle* in four courses. Join us for warm, tropical flavors, the music of the islands and dancing under calypso starlight.
